## FEAST DAYS

### Monday 27th May

#### St. Augustine of Canterbury

(+605) St Augustine was sent by St Gregory the Great to England to convert the English people to Christianity. He baptised King Ethelbert of Kent and many of his subjects. At Canterbury, he erected a monastery and there established his Episcopal See.

### Wednesday 29th May

#### St Pope Paul VI

(1897 - 1978) Paul VI became pope in 1963. He reigned during a period of great change and ferment in the Church following the Second Vatican Council. A unique feature of Pope Paul's reign was his travels to so many parts of the world. These journeys seemed not only to indicate his eagerness for personal knowledge of and contact with all parts of the Universal Church, but also a desire to relate the Church to the modern world and to contribute to a solution for the world's problems. Pope Paul died on August 6, 1978.
